August 6, 2024

Welcome to the Annual August Board Sale at Alabama Livestock Auction. It is a pleasure to market these cattle for our dedicated customer and buyers.

Once again, farmers have overcome a year of economic instability, rising interest rates and extreme inflation. Each of you have produced number one quality cattle for us to market. Our family works hard in this business, and we thank you for your confidence in our market. Research shows that more than 97% of U.S. beef cattle farms and ranches are family farms, providing 88% production. These statistics speak volumes to us knowing this includes each of our customers, including our family farm!

Offering in the August 2024 Board Sale are 97 load lots consisting of:

- 4 loads unweaned calves
- 58 loads weaned calves
- 35 loads yearlings

All weaned cattle have been weaned 60 plus days and have had at least two rounds of shots. All heifers are sold guaranteed open.

We will continue to work diligently throughout the deliveries to satisfy both the buyer and seller. A satisfied customer is a repeat customer, and we will strive to meet the needs of the buyers as well as the sellers. Our buyers are essential to a successful market, and we appreciate each one of you.

God Bless,

Jimmy Sealy
